

THE GOSPEL PROJECT FOR KIDS

ABOUT REALITY SB KIDS

▶ We are thrilled to have the opportunity to teach your Children the Big Story of The Bible. We want to provide you with as many resources as we can to help you train your child to love and follow Jesus. Here are a few tools you can use:

- **Big Picture Cards**- Your child will receive these each week! This tool gives you a snap shot of what they learned in class. The cards are a great item to keep in the car or to be used anywhere on the go. If your child collects each card in the unit they will receive a prize!
- **LifeWay Kids App**- Download this app from the app store and purchase The Gospel Project tool. This will give your child access to games, puzzles, coloring sheets, Bible story videos and much more. The app will compliment our weekly curriculum.
- **Reality website**- We are thrilled to have a "Family Resources" tab on our website. There you will have access to a digital copy of our Family Connect Guide and recommended books.
- **Sunday Morning Activity Sheet**- This is an activity sheet your child will start in class on Sunday and then take home to finish the other side. Look for the family discussion starters!

Jesus' Hard Teachings

CHRIST CONNECTION

Jesus wanted to do more than fill people's stomachs; He wanted to give them true life. Jesus' teachings were hard to understand. When Jesus talked about His flesh and blood, He was talking about His death and resurrection. When we trust in Jesus, He gives us the gift of eternal life.

Many people
misunderstood
Jesus' teaching.

FAMILY ACTIVITY

Key Passage Activity:

Give your child a sheet of paper. Have them write about or draw a picture to answer the following questions:

- What does this story teach me about God or about the gospel?
- What does this story teach me about myself?
- Whom can I tell about this story?
