Today's Sermon Notes: realitysb.com/sermonnotes

Tremble

Peace, bringing it all to peace
The storm surrounding me
Let it break at Your name

Still, call the sea to still
The rage in me to still
Every wave at Your name

Jesus, Jesus,
You make the darkness tremble
Jesus, Jesus, You silence fear
Jesus, Jesus,
You make the darkness tremble
Jesus, Jesus

Breathe, then call these bones to live
Call these lungs to sing
Once again, I will praise

Your name is a light
That the shadows can't deny
Your name cannot be overcome
Your name is alive forever lifted high
Your name cannot be overcome

Build My Life

Worthy of every song we could ever sing
Worthy of all the praise we could ever bring
Worthy of every breath we could ever
breathe
We live for you

Jesus, the name above every other name
Jesus, the only one who could save
Worthy of every breath we could ever
breathe
We live for you
Oh, we live for you

Holy, there is no one like you
There is none besides you
Open up my eyes in wonder
And show me who you are and fill me
With your heart and lead me
In your love to those around me

And I will build my life upon your love
It is a firm foundation
And I will put my trust in you alone
And I will not be shaken

Today's Sermon Notes: realitysb.com/sermonnotes

Anything Is Possible

There is no shadow
That has ever overcome Your light
And there is no rival
That could ever stand against Your
might
You've always been with us
Every battle You've already won
Oh, we've already won

There is no weapon
That has ever left a mark on You
And there is no army
With the power to conquer truth
You've always been with us
Every battle You've already won
We've already won

Show me one thing He can't do
Show me a mountain He can't move
He's the God of the breakthrough
And anything is possible
Show me one thing that's too hard
Show me waters He can't part
He's the God of the breakthrough
And anything is possible
Is possible,

There is a kingdom
That's advancing at the speed of light
And in His kingdom
Every dead thing is bound to rise
Oh, God our Redeemer
He is faithful to revive
Oh, He will revive

Now, all of my fear I will turn into praise
You'll shake off despair as I sing out
Your name
A victory dance, I will dance out in faith
You will crush disappointment
And break every chain

We Praise You

Let praise be a weapon that silences the
enemy
Let praise be a weapon that conquers all
anxiety
Let it rise, let praise arise

We sing your name in the dark and it
changes everything
We sing with all we are and we claim your
victory
Let it rise, let praise arise

We'll see You break down every wall
We'll watch the giants fall
Fear cannot survive when we praise You
The God of breakthroughs on our side
Forever lift Him high
With all creation cry, God we praise You

Oh, we praise You, oh

Let faith be the song that overcomes the
raging sea
Let faith be the song that calms the storm
inside of me
Let it rise, let praise arise

This is what living looks like
This is what freedom feels like
This is what heaven sounds like
We praise You, we praise You
